

# INTERIOR DESIGN WORKSHOP

Our workshop will focus on decorating rooms of choice provided by each class member. We will work from photos and dimensions to come up with a comprehensive plan and design for your room from floor to ceiling, using design sample. During this process we will use each space to cover many elements of design including:

- \*layout
- \*scale
- \*color and pattern
- \*lighting
- \*architectural detail
- \*furniture, art, mirrors, rugs
- \*accessorizing
- \*personal style
- \*problem spaces
- \*budget

And so much more!!

Please join local interior designer Michelle Ferrante for this fun and exciting class.
